Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Thursday 23 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry and brightening up on Friday. Breezy.

This Evening and Tonight:
Mainly cloudy with some patchy light rain or drizzle, some clear periods developing across the northeast. Windy across the north with fresh to strong westerly winds.

Friday:
Cloud and patchy rain mostly clearing through the morning, although lingering across central and western Highland, and the far southwest, well into the afternoon. Blustery westerly winds.

Outlook for Saturday to Monday:
Early rain for northern and western Scotland will clear to brighter and drier weather Saturday and Sunday. Wind and rain moving east on Sunday followed by drier, brighter weather Monday.
